For families of students entering high school in fall 2022

This fall and winter, we're hosting a two-part series of virtual events about high school and Specialized High Schools admissions in New York City.

▶ **November
2021**
3, 4, 9

Part 1, November Virtual Information Sessions: Getting Started with MySchools and Registering for the SHSAT. The application isn't open yet, but there's so much you can do now! At each event, we'll walk you through high school admissions in New York City—how to access your MySchools account, explore your school options with MySchools, and register for the Specialized High Schools Admissions Test (SHSAT). After the presentation, we will answer your questions on these topics. *See next page for specific dates, times, and more.*

▶ **Winter
2021**
TBA

Part 2, Winter Virtual Information Sessions: Applying to High School. At each of these events, we'll cover when and how to apply, how offers are made, how to build a balanced application, and how to participate in the audition process for arts programs, including LaGuardia High School. *Dates and times for these events will be announced later this year.*
